Public Declaration of Sovereignty, Expatriation, and Dissolution of all Previous National and Political Allegiance.

In the course of a lifetime, when one discovers and submits to a truth that evinces at the confluence of all which is physical, spiritual, and reasonable in a natural world; and there find that which had previously been accepted as truth to be a yoke of ignorance and fear; and those who fitted the yoke, secured its place, and assigned its encumbrances, to be interlopers between would-be-beasts and sovereign beings. Thus, but one recourse presents itself in remedying the ignorance born from having accepted institutionalized sanctimony that perfunctorily acknowledges a Creator, yet compels servitude and obedience to earthly authority, with but one choice, that is, to claim a rightful place in this world which the Supreme Creator has provided for all, as equals amongst all, rulers above none, sovereigns amongst sovereigns, and bound only by the moral duty to live the term of a life as peaceably and prosperously as possible at whatever cost deemed just and at no expense to any other.

I have met with such a truth, as I have come to know it, understand it, embrace it, and now choose to be ruled by it for the rest of My days.

I, commonly known and hereafter referred to as, Mark McCoy, given the birth name of Mark McCoy by My natural parents, hereby make known to all members of Mankind, lovers of Liberty, children of Peace and the world; as well as tyrants, oppressors, usurpers, rulers, and presumed authority, the following Public Declaration -- Be it known that I, Mark McCoy, am in full control of My physical and mental faculties. Be it known that I, Mark McCoy, make the following Declaration voluntarily, freely, and absent any outside influence, coercion, or duress. Be it known that I, Mark McCoy, accept full responsibility for My life and the actions taken in the exercise thereof. Be it known that I, Mark McCoy, am healthy, fit, of no physical or mental incapacity whatsoever, and am fully aware, educated, informed, and knowledgeable. Be it known that I, Mark McCoy, stand before My Creator; thankful for all of the power and freedom I possess as a consequence of My birth; and in doing so avow to submit to NO earthly authority, be it political, societal, or otherwise unnatural, and will with every fiber of My being resist to the death any attempt of conscription, recruitment, accountability, allegiance, obligation, submission, compliance, or subordination by any man, woman, person, or entity. Be it known that I, Mark McCoy, desire peace, tolerance, freedom, liberty, and accountability for Myself and all mankind and that I will stand fast against any power, will, or force that may result in my transgressing from those principles. Be it known that I, Mark McCoy, believe and affirm that I am ultimately responsible for My actions in this life, subject to the Supreme Arbiter of the Universe, and as such will not allow others to guide or command Me to act in ways inconsistent with My Conscience for which I will personally be held to account. Be it known that I, Mark McCoy, will submit only to the pains of punishment for transgressing upon the like rights, property, and liberty of free-born, natural beings. All other edicts, laws, regulations, or methods of control are disavowed and inconsequential in the exercise of My life. Be it known that I, Mark McCoy, hereby set forth the following statements in Declaring My Sovereignty, claiming My Expatriation, and Dissolving all previous National and Political Allegiance:
